Dear Oren,

We wish to sincerely express our appreciation for your kind donation to the Bank of Montreal's Hot Dog Day fundraising efforts on behalf of the Sunshine Coast Hospice Society. Thanks to your support it was a great success and we were able to raise \$1,500.00.

This is the 4th year the Bank of Montreal Staff have organized this event to raise money for a local charitable organization in which each member of our Team contribute their time and effort with great spirit to make it such a success. Without your support this would not have been achieved.

On behalf of all of us at the Bank of Montreal in Sechelt and the Sunshine Coast Hospice Society we thank you again for your donation.

Yours truly,
