Dear Chef Oren James

I would like to take this opportunity to thank you for inviting us for lunch. Your restaurant is in a prime location. We found the service wonderful and very pampering. The food was delicious and your ever so famous chocolate dipped strawberries were to die for. Although I would like nothing better to set up shop in your pavilion for the summer. I have had some difficulties with policies and permits. I hope to keep in contact with you for future opportunities. Please feel free to contact me anytime (416)329-8179
Thanks again Oren I know you put alot of hard work into this. Hope to talk to you soon.

Yours Truly

Christina Maratta
